The Honorable Kevin J. Martin
Commissioner
Federal Communications Commission
445 12 Street, SW
Washington, D.C. 20554

Dear Commissioner Martin:

I am writing to thank **you** for your efforts on behalf of consumers during the long and difficult deliberations on rules concerning Unbundled Network Elements.

While we did not agree with all aspects of the rules, we do appreciate your willingness to meet with and listen to consumer representatives, as **you** have done throughout your time on the Commission.

I also would be remiss not to mention how helpful Dan Gonzalez was throughout this entire process. He, too, was very approachable and open minded during this proceeding.

As you know, many critical issues lie ahead for the Commission. We look forward to working with you to insure that consumer interests are fully considered.

Sincerely yours,

Charles A. Acquard
Executive Director
